Carpet Cleaners

Bob Mullen, of Woodside Vineyards has been a happy client for several years now.

Woodside Vineyards is one of the oldest, smallest California wineries, boasting all estate wines that are carefully nurtured from vineyard to bottle.

They cultivate vines in Woodside unique climate and soil. Their careful management of each stage of the process from growing to bottling produces the highest quality and vintage character year after year. All grapes are handpicked and sorted. Small lot production assures minimal processing and gentle handling.

They bottle Chardonnay, Pinot Noir, Zinfandel and Cabernet Sauvignon wines, along with other special small lots including sparkling wine and port. The wines are styled to purposely complement casual food as well as fine meals.

They are located at 340 Kings Mountain Road Woodside, California 94062 and can be reached at (650) 851-3144 or woodsidevineyards.com
